

Big Book of Nature Stencil Designs (Dover Pictorial Archive)

If you're a graphic artist, crafter, or hobbyist in search of attractive, nature-related images, then this comprehensive collection of handsome designs is just for you. The 850 practical, attention-getting motifs for inventive and bold stencil illustrations offer a broad range of subjects: animals of all types—fish, mammals, amphibians, mollusks, and even dinosaurs; exotic birds, waterfowl, and other avian species; roses, wildflowers, and a variety of garden florals shown as single blossoms and in bouquets and sprays; and many other popular designs. A rich source of inspiration for use in countless art and craft projects, these professionally rendered illustrations easily reduced or enlarged to suit any decorative need also make ideal spot illustrations in varied graphic assignments.
