

Do Something Creative: Turning Thoughts into Actions

In *Do Something Creative: Turning Thoughts into Actions*, Nick Affton takes the creator on a journey not only through the creation process, but also through the mind of the creator. Affton does not claim to offer an unrivaled methodology to the creative process. However, what you will discover in his book is an organic and genuine look at the creative process. Affton offers a brief introduction as to how this book came about, followed by what can be considered a wealth of motivating, and inspiring principles to help creators of all walks of life. In twenty four chapters Affton covers topics such as Born to Create, Creativity is not an accident, Afraid to Fail, Practice with Purpose and many other fascinating topics. If you have reached a plateau in your creative experience and need a short read to motivate you to keep moving forward, begin that journey today. If you are interested in creating and simply don't know where to begin, *Do Something Creative* could be a great place to start. No matter what kind of project you are working on, Nick Affton provides useful and relevant material to keep the creative process flowing. There is no better time than now to make your vision reality and *Do Something Creative!*
