

Landscape Painting Inside & Out by Kevin Macpherson (Dec 1 2009)

What do you want your landscape paintings to say about the place, the moment? Kevin shows you how to create personal, poetic landscapes that capture the feeling of being there. You'll get seasoned advice on capturing the spirit of place in sketches, field studies and reference photos. Back in your studio, explore ways to relive the outdoor experience, enlarge your ideas, and refine your compositions without losing the vitality associated with painting outdoors. Oil.
