

Veiled Chameleons or Yemen Chameleons as pets: Including info on baby veiled chameleons, female veiled chameleons, chameleon cage setup, breeding, colors, facts, food, diet, life span, size.

Veiled Chameleons or Yemen Chameleons as pets: Including info on baby veiled chameleons, female veiled chameleons, chameleon cage setup, breeding, colors, facts, food, diet, life span, size.

The veiled chameleon or Yemen chameleon is one of the most popular species of chameleon kept as pets. These beautiful creatures are known for the large crest on their heads and for their ability to change color at will. If you are looking for a unique and interesting pet, the veiled chameleon may be one to consider. In this book you will find answers to your most pressing questions about veiled chameleons. Here you will learn fascinating facts about chameleons as well as information about their nutritional needs, health problems, and more. By the time you finish this book you will have a good idea whether or not the veiled chameleon is a good choice for you and your family - you will also have a firm foundation of knowledge to prepare you for owning and caring for your chameleon. Wendy Davis is a renowned author and pet trainer for over 15 years in the local scene. She brings yet another straight forward and comprehensive guide to owning Veiled Chameleons. She is considered the go-to person for any sound pet advice and information. This is the must have guide and informative book for anyone who is interested in knowing about, facts, owning, breeding and choosing a Veiled Chameleon. No matter if you are a first-timer or a seasoned reptile lover, Wendy covers all aspects of keeping Veiled Chameleons as pets in a easy to read manner.
