Have you ever received shocking news that turned your life upside down? Would you love to have magical powers based upon the color of your eyes? Imagine the shock of being eighteen year old Remy Verbeta and finding out that you are not human and also are not from this world. Remys life is turned upside down when she suddenly finds out her entire life has been a lie. Another world is living and breathing along side our own, a kind of alternate dimension. On her eighteenth birthday, Remy finds out that she is not human, but is actually a member of an ancient and almost extinct race called the Occuli. Each Occuli has different magical powers based solely on their eye color. This fictional, fantasy novel, follows Remy on a journey of self discovery, magic, mystery, romance and betrayal, as she tries to figure out a way not only to survive, but also find a way back to her true home and save the Occuli from extinction! ***NOMINEE: 2016 Summer Indie Book Awards!!!** ***Voted MOST POPULAR BOOK January 2016 on Indie Authors Library!!** ***Voted MOST POPULAR BOOK in November 2015 on BooksGoSocialDaily.com!!**
