

Blind Spot: Issue 48

Blind Spot has published some of today's most renowned artists working in the medium of photography as they were building their careers--Adam Fuss, Vik Muniz, Doug & Mike Starn and James Welling appeared in the first issue--and since its launch in 1993, the magazine has featured more than 400 living artists, including Robert Adams, Francis Alys, John Baldessari, William Eggleston, Rachel Harrison, Zoe Leonard and Ed Ruscha, as well as younger artists like Walead Beshty, Peter Coffin, Anne Collier, Seth Price, Michael Queenland and Amanda Ross-Ho. Printed in the United States by Meridian Printing, Blind Spot is known for its commitment to the highest quality reproductions. Features are often designed in collaboration with the artists, and recent issues have been guest-edited by contemporary artists, providing a visual exploration of specific ideas and approaches to photography-based image-making.
