

Watercolor for the first time

It doesn't take years of art lessons to create watercolors you'll be proud of--just let this new entry in the For the First Time series guide you with answers to all your questions plus photographs and illustrations that demonstrate every exciting technique. Best of all, as you're learning the different skills, you're also producing finished pieces--lovely seashells, vivid autumn leaves, a single lily. And because watercolors aren't just for framed art, there are also projects for stationery, greeting cards, journal entries, and bookmarks.
