

Song of Simon

Life was never sweet for Simon. He lived in suburban New York, dodging high school bullies and strumming his guitar. Things were about to get much worse. Simon is drawn into the land of Algavar, where High Priestess Teretha has imprisoned their god in amber. He falls into a holy war led by Ilyana, a renegade priestess who claims to be the Messiah. Simon agrees to accompany Ilyana on a quest to kill Teretha, and he sinks hip deep into the violence and despair that permeate Algavar. Will Simon become the hero Ilyana believes he is, or will he lose his soul in a bloody world so different from his own?
