

Woolly Bear and the Reticent Menehunes: A Novel of Fantasy and Faith

When George W. (Woolly) Bear moved into Elder Haven, a retirement community on Hilton Head Island, South Carolina, he was delighted. The location was on a semi-tropical barrier island with the many amenities of a warm climate, and a wealth of activities and benefits for older people. Little did he conceive that the Haven was a den of horrors where all of the disappointments and problems of his past years would pale by comparison with life at this bleak institution. And he would not only face his own unwelcome burdens but would be besieged by the problems of other residents who pleaded with him for help. Fortunately, placing his faith in the hands of his ancient heritage, he discovered an unexpected source of mysterious perception, energy, and insight that revealed to him the secret of success at the end of this tunnel of darkness.
