

Xander: vol.1 Transmutation (The Athena Universe) (Volume 3)

Having heard of his once fiances return to Athena, Xander, prince of the Oisian Kingdom, is curious as to just where Saphora has been. His pull to adventure has him touching down in Saphoras home town. But what he finds, no one could have expected. After Saphoras haphazard display of her extraterrestrial power, her therapist, James Lupin, in pursuit of the humans next great evolution, takes Saphoras DNA, and creates a handful of mutants. The forbidden breed now has a relative and its on Earth. But all experiments have a backlash, and once death falls upon a number of his subjects, a rebellion within seeks out Xanders help in a chance meeting. But once Xander learns that its Saphoras DNA thats being used, the direness of the situation takes hold.
